FACT SHEET

Organizational Status: 501 (c) 3 Nonprofit corporation established 1999. EIN 77-0501260

Mission: Serving the community and public lands by preserving fire lookouts and other historic facilities for the purpose of fire detection, education, interpretation and historic preservation. Our vision is to create an atmosphere where the concept of stewardship of our conservation heritage can flourish with children and adults from all walks of life.

Area of Operation: The central and southern Sierra Nevada mountain and foothill communities of Fresno, Tulare, Kern and Madera/Mariposa counties.

Area Fire Lookouts:

- We operate three fire lookouts in the Kings River Watershed: Buck Rock, Delilah and Park Ridge
- We support: *Sequoia NF* - Bald Mt, Breckenridge, Tobias, The Needles, Mule Peak, Jordan, Baker Point; *Sierra NF* – Fence Meadow, Mt. Tom, Bald Mtn, Signal Peak, Miami, Shuteye, *SEKI* – Milk Ranch *State*- Blue Ridge, Bear Mountain, Shadequarter.

Government Agencies Served: Giant Sequoia National Monument, Sequoia National Forest, Kings Canyon National Park, Sequoia National Park, Sierra National Forest, Bureau of Land Management, CAL-Fire, Tulare County, Fresno County and other local county fire departments.

Public Outreach: We provide interpretation and information to over 7,000 people annually from all over the world who visit our staffed lookout including tourists, hikers, Back Country Horseman groups, campers, youth groups from local summer camps, school field trips, and people from the local communities. *Special Events:* We host the Buck Rock Open House and Blessing of the Rock annually with several hundred participants attending. We participate in community events including the Celebrate the Sequoias Festival, Bioregions Festival, Whiskey Flat Days, and the Tulare County Fair. We publish the Buck Rock Foundation newsletter. Social Media: www.buckrock.org, Facebook “Lookouts R Us”, Twitter and are featured in the National Geographic’s Geotourism Mapguide.

Programs:

- Volunteer Lookout Program – Volunteers staff three fire towers for two agencies in the Kings River Watershed during fire season providing fire detection and public relations.
- Lookout Training Program – We organize, coordinate and teach a comprehensive lookout training program for volunteers and seasonal fire lookouts.
- Restoration Projects – We facilitate, coordinate, fund-raise and supply volunteers and materials for preservation of historic lookouts and guard stations. Projects include: *Lookouts* – Needles, Bald Mtn, Buck Rock, Delilah, Fence Meadow, Mt. Tom, Breckenridge, Blue Ridge. *Guard Stations* – Beach Meadow, Cannell Meadow, Big Meadows.
